***Recital Tights Forms coming soon!**

Kids:

1. Keep practicing your splits!
More prizes to come.
2. Watch an old recital video and see how you have improved
3. I will be peeking in on your dance classes sometime in February to see how you are doing.
4. MARCH MADNESS! Wear one of your past recital costumes during the month of March to dance class! This will add some sparkle to our room! 😊

Recital Practice CD'S

Your dancer's music will be available on CD so they can rehearse their dances at home. Look for forms to come in a couple of weeks. Please keep in mind that most songs are cut and edited by the instructors so they are appropriate for our dance recital. Therefore, they will be different than those you find on iTunes. Cd's will sell for \$8.00 each. These are great for Talent Shows, sleep-over parties, or performing for family and friends!

SPRING BREAK

The studio will be closed Monday March 29th through Sunday April 4th.

Parent Observation is the 1st week of each month. Show your support for your dancer and see their progress!

****Summer Camp Info Coming Soon****

Camps are held in July and August. Yours could be FREE! Ask us how!
