COSTUMES:

Our 2010 Recital costumes are being distributed. Please make sure you have your tuition paid up to date and have turned in your final costume balance. We will not pass out your costume until these are paid. Thank you. Call Tammy immediately with any costume concerns/questions!!

PRACTICE CD's:

It's never too late to order your recital music for home practice, sleepover parties, or family events. Fill out the attached form with your song titles and put it in the tuition box with \$8.00 (most songs have been cut or enhanced and are not in their original state.)

COMING SOON.... RECITAL ACTION SHOTS from the live performance will be offered again this year online. Look for more info to follow in April News.

Parents: Please remind your dancers of studio etiquette. We are seeing some damage in the studio and waiting area from dancers and their siblings. We have spent a lot of time and money providing our students with a beautiful facility and we would like to see it treated with respect. Thank you for understanding.
